## How to find us

Hathersage Hall Business Centre is located in the centre of Hathersage on the A6187. The entrance to the centre is through a large gateway in a curved stone wall. If you are travelling from Sheffield by road the entrance is on your right almost immediately after you pass School Road (signed to the Scotsman's Pack). If you are coming up the hill through the village the entrance is on your left soon after you pass the pharmacy on your right.

Once through the gate go straight ahead and see the long stone building on your left. This is Orchard House – FWA is at No. 3. There is parking directly in front.

**By rail:** There is a service between Sheffield and Manchester that stops at Hathersage. The station is a 10 minute walk – see the map.

**By bus:** Service 272 operates hourly between Sheffield and Castleton and stops two minutes walk away on the Main Street.

For latest details of public transport services see [travelsouthyorkshire.com](http://travelsouthyorkshire.com)

Secure bicycle parking is available.

In the event that the Business Centre car park is full (e.g. during a large event) follow signs to the public car park, located opposite the outdoor swimming pool, on Crossland Road. You can cut back through to the Main St by footpath.
